

Payment Services UAE Cut Off Times for electronic transfers

This guide provides you with an easy-to-use summary of the cut-off times applying to electronic payment instructions sent via the Corporate Internet Banking or the SWIFTNet Corporate Access Service.

Internal transfers

Below you will find our cut-off times for transfers between accounts held with Barclays UAE.

All times quoted are UAE time

Transaction type	Currency Code	Cut-off time	Value given
Same currency transfers within Barclays UAE	Any	NA	Same day
Cross currency transfers within Barclays UAE	Any	4:30pm	Same day

Note: Internal transfers initiated via SWIFTNet Access would have a cut-off time of 04:00pm

Domestic AED transfers

Below you will find our cut-off times for payments in AED routed via the UAE Central Bank Fund Transfer System. You should also consider any cut-off times for processing by the beneficiary bank and any correspondent banks.

All times quoted are UAE time

Transaction type	Currency Code	Cut-off time	Value given
Same currency transfers to beneficiaries within the UAE	AED	04:30 pm	Same day
Same currency transfers to beneficiaries outside the UAE (without field 56 or without 57A)	AED	12:30 pm	Same day
Cross currency transfers	AED	12:30 pm	Same day

Payments in other currencies

Cut-off times and value dates for payment instructions in currencies other than AED are provided in the table below.

These times apply where value is to be provided in the currency stated or for payments requiring a currency conversion from/to these currencies.

Times relate to the execution of your payment instruction by Barclays UAE. You should also consider any cut-off times for processing by the beneficiary bank and any correspondent banks.

All times quoted are UAE time

a) Same currency transfers that do not involve a currency conversion
